Thank You!

Dear Hank,

Thank you for the robot. It's really a wonderful birthday gift. I like it so much. Last year, you gave me a toy, Mike Wazoski of the Monster University. All my friends and classmates envied me so much when they saw it.

Love,
Lily

Many Thanks

Dear Lily,

Thanks for your kind donations. The kids loved those dolls and toys. Our birthday girl of the month, Nancy, picked the Barbie doll and named it Pretty.　She was really happy! For boys, they all love the toy Mike Wazoski very much. They like to play with it and take care of it together.

Love,
